

Frequently Asked Questions

Why should I purchase an Emergency Medical Service Subscription?

The purpose of an EMS Subscription is to lessen the financial burden in times of emergency. If you or your family requires emergency transport by Johnston County EMS, you will be covered for any out of pocket expenses beyond what your insurance will cover.

Does my subscription cover ambulance service provided by private ambulance providers?

No. This subscription and fee program ONLY pertains to transports provided by Johnston County EMS.

When does my coverage begin and when does it end?

If you join on or before July 1, 2023, your coverage period is July 1, 2023– June 30, 2024. If you join later than July 1, 2023, your coverage will be effective from the date your payment is received through June 30, 2024; however, the subscription rate is not prorated.

Who do I contact if there are changes in my household?

If there are any additions or changes during the subscription period, please call (877) 842-0328

What is my money going toward?

Revenue from subscription will go toward the operation cost of the organization, including equipment, fuel, insurance, and personnel salaries.

This subscription does not include ground ambulance services provided by any entity other than Johnston County Emergency Medical Services.

**Johnston County Emergency
Medical Services System**

Medical emergencies and accidents are unpredictable.
Most insurance policies, including Medicare,
will NOT cover the full amount of an ambulance bill.

On average, an emergency transport often exceeds \$540,
plus \$13.22 per mile for transport to the hospital.

You can offset these fees by joining the voluntary
subscription program. **Your annual subscription fee of
\$60 covers the direct costs of ambulance services not
paid by your insurance.** This is a one-time annual fee
good from July 1st through June 30th of the following
year and covers unlimited emergency calls provided
by Johnston County EMS for permanent residents of
your household during that time. (Please note that your
insurance information will be requested at the time
of transport, and upon receiving a first invoice. After
first invoice, subscribers should not receive any further
invoices from the billing agency.)
